

The Lymph Glands of the Head—	
The Lymphatic Vessels of the Nasal Cavities	695
The Lymphatic Vessels of the Mouth	695
The Lymphatic Vessels of the Palatine Tonsil	695
The Lymphatic Vessels of the Tongue	696
The Lymph Glands of the Neck	697
The Submaxillary Glands	697
The Submental or Suprahyoid Glands	697
The Superficial Cervical Glands	697
The Anterior Cervical Glands	697
The Deep Cervical Glands	697
The Lymphatic Vessels of the Skin and Muscles of the Neck	698

THE LYMPHATICS OF THE UPPER EXTREMITY.

The Lymph Glands of the Upper Extremity	699
The Superficial Lymph Glands	699
The Deep Lymph Glands	699
The Axillary Glands	699
The Lymphatic Vessels of the Upper Extremity	700
The Superficial Lymphatic Vessels	700
The Deep Lymphatic Vessels	701

THE LYMPHATICS OF THE LOWER EXTREMITY.

The Lymph Glands of the Lower Extremity	701
The Anterior Tibial Gland	701
The Popliteal Glands	701
The Inguinal Glands	702
The Lymphatic Vessels of the Lower Extremity	703
The Superficial Lymphatic Vessels	703
The Deep Lymphatic Vessels	703

THE LYMPHATICS OF THE ABDOMEN AND PELVIS.

The Lymph Glands of the Abdomen and Pelvis	703
The Parietal Glands	703
The External Iliac Glands	703
The Common Iliac Glands	704
The Epigastric Glands	704
The Iliac Circumflex Glands	704
The Hypogastric Glands	704
The Sacral Glands	704
The Lumbar Glands	705
The Lymphatic Vessels of the Abdomen and Pelvis	706
The Superficial Vessels	706
The Deep Vessels	706
The Lymphatic Vessels of the Perineum and External Genitals	706
The Visceral Glands	706
The Gastric Glands	706
The Hepatic Glands	706
The Pancreaticolienal Glands	706
The Superior Mesenteric Glands	709
The Mesenteric Glands	709
The Ileocolic Glands	709
The Mesocolic Glands	709
The Inferior Mesenteric Glands	710
The Lymphatic Vessels of the Abdominal and Pelvic Viscera	710

The Lymphatic Vessels of the Abdominal and Pelvic Viscera—	
The Lymphatic Vessels of the Subdiaphragmatic Portions of the Digestive Tube	710
The Lymphatic Vessels of the Stomach	710
The Lymphatic Vessels of the Duodenum	710
The Lymphatic Vessels of the Jejunum and Ileum	710
The Lymphatic Vessels of the Vermiform Process and Cecum	710
The Lymphatic Vessels of the Colon	711
The Lymphatic Vessels of the Anus, Anal Canal, and Rectum	711
The Lymphatic Vessels of the Liver	711
The Lymphatic Vessels of the Gall-bladder	711
The Lymphatic Vessels of the Pancreas	711
The Lymphatic Vessels of the Spleen and Suprarenal Glands	711
The Lymphatic Vessels of the Urinary Organs	712
The Lymphatic Vessels of the Kidney	712
The Lymphatic Vessels of the Ureter	712
The Lymphatic Vessels of the Bladder	712
The Lymphatic Vessels of the Prostate	713
The Lymphatic Vessels of the Urethra	713
The Lymphatic Vessels of the Reproductive Organs	713
The Lymphatic Vessels of the Testes	713
The Lymphatic Vessels of the Ductus Deferens	713
The Lymphatic Vessels of the Ovary	714
The Lymphatic Vessels of the Uterine Tube	714
The Lymphatic Vessels of the Uterus	714
The Lymphatic Vessels of the Vagina	714

THE LYMPHATICS OF THE THORAX.

The Parietal Lymph Glands	715
The Sternal Glands	715
The Intercostal Glands	715
The Diaphragmatic Glands	715
The Superficial Lymphatic Vessels of the Thoracic Wall	715
The Lymphatic Vessels of the Mamma	715
The Deep Lymphatic Vessels of the Thoracic Wall	716
The Visceral Lymph Glands	717
The Anterior Mediastinal Glands	717
The Posterior Mediastinal Glands	717
The Tracheobronchial Glands	717
The Lymphatic Vessels of the Thoracic Viscera	718
The Lymphatic Vessels of the Heart	718
The Lymphatic Vessels of the Lungs	718
The Lymphatic Vessels of the Pleura	719
The Lymphatic Vessels of the Thymus	719
The Lymphatic Vessels of the Esophagus	719

NEUROLOGY.

STRUCTURE OF THE NERVOUS SYSTEM.

Neuroglia	722
Nerve Cells	722
Nerve Fibers	724
Wallerian Degeneration	727
Non-medullated Fibers	728
Structure of the Peripheral Nerves and Ganglia	728
Origins and Terminations of Nerves	729

Ganglia	730
Neuron Theory	732
Fasciculi, Tracts or Fiber Systems	732

DEVELOPMENT OF THE NERVOUS SYSTEM.

The Medulla Spinalis	733
The Spinal Nerves	735
The Brain	736
