

Divisions of the Spinal Nerves—	
The Anterior Divisions—	
The Lumbosacral Plexus—	
The Lumbar Nerves—	
The Lumbar Plexus—	
Accessory Obturator	
Nerve	955
Femoral Nerve	955
Saphenous Nerve	956
The Sacral and Coccygeal	
Nerves	957
The Sacral Plexus	957
Relations	957
Nerve to Quadratus	
Femoris and	
Gemellus Inferior	957
Nerve to Obturator	
Internus and Ge-	
mellus Superior	958
Nerve to Piriformis	959
Superior Gluteal	
Nerve	959
Inferior Gluteal	
Nerve	959
Posterior Femoral	
Cutaneous Nerve	959
Sciatic Nerve	960
Tibial Nerve	960
Lateral Plantar Nerve	963
Common Peroneal	
Nerve	964
Deep Peroneal Nerve	965
Superficial Peroneal	
Nerve	966
The Pudendal Plexus	966
Perforating Cuta-	
neous Nerve	967
Pudendal Nerve	967
Anococcygeal Nerve	968

THE SYMPATHETIC NERVES.

The Cranial Sympathetics	970
The Sacral Sympathetics	973
The Thoracolumbar Sympathetics	974
The Sympathetic Trunks	976
Connections with the Spinal Nerves	976
Development	977

The Cephalic Portion of the Sympathetic System.

The Internal Carotid Plexus	977
The Cavernous Plexus	978

The Cervical Portion of the Sympathetic System.

The Superior Cervical Ganglion	978
Branches	978
The Middle Cervical Ganglion	979
Branches	979
The Inferior Cervical Ganglion	980
Branches	981

The Thoracic Portion of the Sympathetic System.

The Greater Splanchnic Nerve	981
The Lesser Splanchnic Nerve	981
The Lowest Splanchnic Nerve	981

*The Abdominal Portion of the Sympathetic System**The Pelvic Portion of the Sympathetic System**The Great Plexuses of the Sympathetic System.*

The Cardiac Plexus	984
The Celiac Plexus	985
Phrenic Plexus	985
Hepatic Plexus	986
Lienal Plexus	986
Superior Gastric Plexus	987
Suprarenal Plexus	987
Renal Plexus	987
Spermatic Plexus	987
Superior Mesenteric Plexus	987
Abdominal Aortic Plexus	987
Inferior Mesenteric Plexus	987
The Hypogastric Plexus	987
The Pelvic Plexuses	987
The Middle Hemorrhoidal Plexus	988
The Vesical Plexus	988
The Prostatic Plexus	988
The Vaginal Plexus	989
The Uterine Plexus	989

THE ORGANS OF THE SENSES AND THE COMMON INTEGUMENT.

THE PERIPHERAL ORGANS OF THE SPECIAL SENSES.

The Organs of Taste.

Structure	991
---------------------	-----

The Organ of Smell.

The External Nose	992
Structure	992
The Nasal Cavity	994
The Lateral Wall	994
The Medial Wall	995
The Mucous Membrane	996
Structure	996
The Accessory Sinuses of the Nose	998
The Frontal Sinuses	998
The Ethmoidal Air Cells	998
The Sphenoidal Sinuses	998
The Maxillary Sinus	999

The Organ of Sight.

Development	1001
The Tunics of the Eye	1005
The Fibrous Tunic	1005
The Sclera	1005
Structure	1006
The Cornea	1006
Structure	1007

The Tunics of the Eye—

The Vascular Tunic	1009
The Choroid	1009
Structure	1010
The Ciliary Body	1010
Structure	1011
The Iris	1012
Structure	1013
Membrana Pupillaris	1014
The Retina	1014
Structure	1015
The Refracting Media	1018
The Aqueous Humor	1018
The Vitreous Body	1018
The Crystalline Lens	1019
Structure	1020
The Accessory Organs of the Eye	1021
The Ocular Muscles	1021
Levator Palpebræ Superioris	1021
The Recti	1022
Obliquus Oculi Superior	1022
Obliquus Oculi Inferior	1023
The Fascia Bulb	1024
The Orbital Fascia	1025
The Eyebrows	1025
The Eyelids	1025
The Lateral Palpebral Commis-	
sure	1025
The Eyelashes	1025
Structure of the Eyelids	1025
The Tarsal Glands	1026
