The Lateral Vertebral Muscles.	The Antero-lateral Muscles of the Abdomen— Transversus Abdominis—
Scalenus Anterior	Variations
Scalenus Medius	Inguinal Aponeurotic Falx 414
Scalenus Posterior	Rectus Abdominis 415
Variations	Pyramidalis
	Variations
THE FASCLE AND MUSCLES OF THE TRUNK.	The Lineæ Semilunares 417
THE TABLES AND MICEOLEGE OF THE EAST.	The Transversalis Fascia 418
The Deep Muscles of the Back.	The Abdominal Inguinal Ring 418
The Lumbodorsal Fascia	The Inguinal Canal 418 Extraperitoneal Connective Tissue 418
The Lumbodorsal Fascia	The Deep Crural Arch
Splenius Capitis	The Posterior Muscles of the Abdomen 419
Variations	The Fascia Covering the Quadratus
Sacrospinalis	Lumborum 419 Quadratus Lumborum 420
Iliocostalis Lumborum	Quadratus Lumborum 420 Variations
Hiocostalis Dorsi	variations
Longissimus Dorsi	The Muscles and Fasciæ of the Pelris.
Longissimus Cervicis 399	7.1 . 77
Longissimus Capitis	Pelvic Fascia
Spinalis Dorsi	Levator Ani
Spinalis Capitis	
Semispinalis Dorsi 400	The Museles and Fasciae of the Perineum.
Semispinalis Cervicis 400	N. 1 (1 A 1 D '
Semispinalis Capitis 400	Muscles of the Anal Region 424 The Superficial Fascia 424
Multifidus	The Superficial Fascia
Interspinales	Ischiorectal Fossa 425
Extensor Coccygis 401	The Corrugator Cutis Ani 425
Intertransversarii 401	Sphincter Ani Externus 425
The Colominital Manales	Sphincter Ani Internus 426 The Muscles of the Urogenital Region in
The Suboccipital Muscles.	the Male 426
Rectus Capitis Posterior Major 401	Superficial Fascia
Rectus Capitis Posterior Minor 401	The Central Tendinous Point of the
Obliquus Capitis Inferior	Perineum 427
Obliquus Capitis Superior 402 The Suboccipital Triangle 402	Transversus Perinæi Superficialis 427 Variations 427
The Suboccipital Triangle 402	Bulbocavernosus 427
The Muscles of the Thorax.	
The Muscles of the Thorax.	Ischiocavernosus
Intercostal Fascia 402	Ischiocavernosus
Intercostal Fascia 402	Ischiocavernosus
Intercostal Fascia	Ischiocavernosus
Intercostal Fascia	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Leyatores Costarum 403	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405 The Crura 405	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Central Tendon 406	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen The Antero-lateral Muscles of the Abdomen	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen 408 The Antero-lateral Muscles of the Abdomen 408 The Superficial Fascia 408	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405 The Crura 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen 408 Obliquus Externus Abdominis 409 Aponeurosis of the Obliquus 409	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen 408 The Superficial Fascia 409 Obliquus Externus Abdominis 409 Aponeurosis of the Obliquus Externus Abdominis 410	Ischiocavernosus
Intercostal Fascia 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen 408 Obliquus Externus Abdominis 408 Obliquus Externus Abdominis 409 Aponeurosis of the Obliquus Externus Abdominis 410 Subcutaneous Inguinal Ring 410	Ischiocavernosus
Intercostales 402 Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Diaphragm 404 Medial Lumbocostal Arch 405 The Crura 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fasciæ of the Abdomen 408 The Superficial Fascia 408 Obliquus Externus Abdominis 409 Aponeurosis of the Obliquus Externus Abdominis 410 Subcutaneous Inguinal Ring 410 The Intercrural Fibers 410	Ischiocavernosus
Intercostales	Ischiocavernosus
Intercostales 403 Intercostales Externi 403 Variations 403 Intercostales Interni 403 Subcostales 403 Transversus Thoracis 403 Levatores Costarum 403 Serratus Posterior Superior 404 Variations 404 Serratus Posterior Inferior 404 Variations 404 Medial Lumbocostal Arch 404 Lateral Lumbocostal Arch 405 The Crura 405 The Central Tendon 406 Openings in the Diaphragm 406 Variations 406 Mechanism of Respiration 407 The Muscles and Fascia of the Abdomen 408 Obliquus Externus Abdominis 409 Aponeurosis of the Obliquus Externus Abdominis 410 The Intercrural Fibers 410 The Inguinal Ligament 411 The Reflected Inguinal Ligament 412 The Reflected Inguinal Ligament 412 Variations	Ischiocavernosus 428 The Deep Fascia 428 Transversus Perinæi Profundus 429 Sphincter Urethræ Membranaceæ 429 The Muscles of the Urogenital Region in the Female 430 Transversus Perinæi Superficialis 430 Bulbocavernosus 430 Ischiocavernosus 430 Transversus Perinæi Profundus 431 The Fascia and Muscles of the Upper Extremity to the Vertebral Column. Superficial Fascia 432 Trapezius 432 Variations 432 Latissimus Dorsi 432 Rhomboideus Major 434 Rhomboideus Minor 434 Rhomboideus Minor 434 Rhomboideus Minor 435 Variations 435 The Muscles Connecting the Upper Extremity to the Anterior and Lateral Thoracic Walls. Superficial Fascia 435 Pectoralis Major 436 Pectoralis Major 436 Variations 437 Variations 437 Variations 436 Pectoralis Major 436 Variations 437 Variations 437 Variations 437 Variations 437 Variations 438
Intercostales	Ischiocavernosus
